## Eligibility

Full-time students from any tertiary education institutions in Hong Kong

Application deadline  
**17 November 2024**

Equal Opportunities Commission (EOC)

## **Equal Opportunity Youth Ambassador Scheme 2024/25**

To promote the values of diversity, equal opportunities and inclusion among tertiary students and rally young staunch supporters for equal opportunities, the EOC organised the Equal Opportunity Youth Ambassador Scheme in the 2022/23 and 2023/24 academic years respectively. Thanks to the wonderful support of your office, the Scheme received favourable response. In order to sustain the positive impact of the Scheme, the EOC is once again organising the Scheme in 2024/25. To raise the students' awareness and interest in the Scheme and encourage their enrolment, your assistance in promoting it on your campus is very much appreciated.

Under the Scheme, the applications by the tertiary students will be reviewed by an assessment panel comprising the EOC Chairperson, Members and staff. Those selected to join the Scheme will be appointed as Youth Ambassadors and arranged to take part in a wide variety of experiential learning activities related to equal opportunities. The Scheme will present a unique and valuable opportunity for students to acquire skills and knowledge beyond classroom, expand their social network, and deepen their connection and belonging with the community including the EOC. Those Youth Ambassadors who have attained a satisfactory attendance rate of the activities under the Scheme would receive the following rewards:

- A certificate issued by the EOC
- A written reference letter signed by EOC Chairperson
- Online credential on Youth Ambassadors' LinkedIn

**The Scheme is open for application till 17 November 2024.** We welcome all full-time students who are studying diploma courses or above in your institution, irrespective of their gender, race, family status and diverse abilities, to join our Scheme. We would also provide reasonable adjustments for students with disabilities in accordance with their needs. For details of the Scheme, please refer to the Scheme's website [www.eoc.org.hk/youth](http://www.eoc.org.hk/youth) and the attached e-posters for your reference.
